## DECLARATION

I am a Secured or Unsecured Member of Olint. I am aware that as at February 8, 2010, the Official Liquidator of Olint TCI has advised that Secured Creditors are likely to receive approximately five cents (\$.05) in every dollar (\$1.00) of net initial investment, at an undetermined date in the future, and that Unsecured Creditors are likely to receive absolutely nothing. Without prejudice to the accuracy of Mr. Connolly's information, I have decided to join forces with ACOM in a consorted effort to pursue all avenues, previously explored and/or unexplored, with the major objective being the recovery of as much of my money as possible in the shortest time possible, and at the lowest cost possible. I can make no financial commitments at this time but will do all in my power to help defray the cost of ACOM's administration and several initiatives pursuant to the achievement of our major objective. Accordingly, I authorize ACOM through its elected leaders to represent me and act on my behalf in all matters directly and indirectly related to the recovery of my money from Olint and/or related entities.
